A Touchstone Energy® Cooperative

# Your co-op pays taxes, too

**SINCE WE ARE** in the middle of tax season, I thought this might be a great month to discuss your cooperative and taxes. If you're familiar with

the cooperative model, you know that we are a not-for-profit organization. You may assume we do not pay any taxes. While it is true that not making a profit means we do not pay any corporate income taxes, we do still pay quite a bit in other taxes throughout the year.

A portion of what we pay, around \$600,000 per year, is in the form of state license taxes. This is based on our annual sales of electricity and the fair market value of our utility system. The South Carolina Rural Development Act enabled us to pay most of this tax in the form of economic development grants to the four counties we serve. This money can be used for publicly owned road, water, and wastewater infrastructure, industrial parks, speculative buildings and other projects that bring jobs and investment into our service territory. Since the RDA became law in 1996, SEC has invested almost \$10 million to support county infrastructure and economic development projects.

The lion's share of the taxes your cooperative pays, however, is in the form of property taxes.

Santee Electric paid just over \$800,000 in property taxes to Florence County this year, making us the eighth-largest property taxpayer in that county. We are the third-largest property taxpayer in Clarendon County with a tax bill of nearly \$1.2 million. We paid just over \$1.3 million in property taxes in Georgetown County, making us the second-largest property taxpayer

(behind International Paper Company). We also paid just under \$2 million in property taxes to Williamsburg County. That makes us their second-largest property taxpayer (behind only Nan Ya Plastics Corporation).

In addition, the cooperatives in our state collectively own another cooperative that covers our transmission needs. Central Electric Power Cooperative paid \$191,000 in Clarendon County, \$101,000 in Florence County, \$146,000 in Georgetown County and \$247,000 in Williamsburg County in property taxes for their various transmission lines. Your cooperative, in turn, pays for those taxes through its wholesale power bills.

Altogether, this amounts to nearly \$7 million in support to our local counties on an annual basis paid by your cooperative. Of course, since you own Santee Electric, you—collectively—have provided this support for the great things our counties are doing. Remember, we might not pay corporate income taxes, but we do pay taxes!

**See you at the Annual Meeting**

Following that topic, I want to change gears and invite you to come out to our 2025 Annual Meeting of the membership. The process is very streamlined, and we will not take up much of your time. We hope to see you on April 15—which happens to be Tax Day. Have a great month!

## Co-op Day at the State House

Making your voice heard on energy policy

**THE RELIABILITY** of your electricity service is central to Santee Electrics' mission. The cooperative exists to provide all the power members need when they need it. That's why Santee Electric works diligently to build and maintain the infrastructure that brings electricity to your homes and businesses.

Of course, not everything is in the co-op's hands. Acts of God such as hurricanes and ice storms can wreak havoc on the system that delivers that power, no matter how much we plan and prepare.

Another important factor is the availability of the electricity we generate as a state. For a long time, South Carolina has had plenty of electricity to meet members' needs. But availability could become a real challenge in the future.

"Our power supply isn't growing fast enough to keep up with our state's rapid growth," says SEC CEO Rob Ardis. "South Carolina needs more electricity, especially for frigid winter mornings and sweltering summer afternoons when the power grid strains to meet peak demands."

Government policies and regulations play an important role in deciding whether enough energy is available. They always have, from the legislation that allowed for the creation of electric cooperatives in the 1930s to the government's role in hydroelectric power plant construction to the recent regulations requiring the shutdown of coal-fired power plants.

"As a member-owned co-op, we believe our service to our members includes doing everything in our power to make sure our state and country's energy policies enable us to deliver you all the power you need, when you need it, and at a price you can afford," says Ardis. "That's why Santee Electric is fortunate that these elected officials are our friends and neighbors and that they understand the needs of the co-op members and the communities we serve."

That work is critical again this year as the S.C. General Assembly considers energy policies that will determine how we

Linemen from electric cooperatives across South Carolina joined Gov. Henry McMaster on the staircase in the State House.

meet your power needs.

On Feb. 13, a day we call Co-op Day at the State House, our board members and employees joined other electric cooperatives in bringing your voice to policy makers. On behalf of the hundreds of thousands of co-op members across our state, we expressed a vision for a future that keeps electricity safe, reliable and affordable.

"It was a great day of collective action by South Carolina's electric co-ops," says Ardis. "But it is far from the end of our efforts to help shape our state's energy policies for the better. As we move forward, rest assured Santee Electric is doing everything in our power to safeguard South Carolina's energy future."

## New summer peak hours

Beginning April 1, peak hours are 3 p.m. to 6 p.m.

We have some exciting news regarding the summer peak hours starting April 1! In our ongoing effort to empower you with more control over your energy bill, we are shifting the summer peak hours to 3 p.m. to 6 p.m. instead of the previous 4 p.m. to 7 p.m.

This adjustment is designed to offer you increased flexibility in

managing your energy use. Remember, the peak charge on your bill is based on your highest single peak hour during the billing cycle. Adjusting your energy use during the peak hours can save you money on your bill. For more information and tips, visit [santee.org](http://santee.org).

## Members to vote on bylaw amendments

**THE SEC BOARD OF DIRECTORS** has proposed the following bylaw revisions for approval by the membership. Members are encouraged to review the proposed changes, which will be voted on during the 2025 Annual Meeting held on Tuesday, April 15.

The proposed changes are in red. Underlined language means it will be added. Strike-through language means it will be removed.

The proposed bylaw amendments continue on pages 12A-12D. The full document is available for download on our website at [santee.org](http://santee.org).

Each Officer shall hold office until the first meeting of the Board of Trustees following the next succeeding annual meeting of members or until his successor shall have been elected and shall have qualified. (c) in general perform all duties incident to the office of **President Chairman** and such other duties as may be prescribed by the Board of Trustees from time to time.

The term “signed,” as herein used, shall be deemed to permit the use of official signature stamps.

#### **SECTION 5. Vice-President: Vice-Chairman.**

In the absence of the **President Chairman**, or in the event of his inability or refusal to act, the **Vice-President Vice-Chairman** shall perform the duties of the **President Chairman**, and when so acting, shall have all the powers of and be subject to all the restrictions upon the **President Chairman**. The **Vice-President Vice-Chairman** shall also perform such other duties as from time to time may be assigned to him by the Board of Trustees.

#### **Section 9. Compensation**

The powers, duties and compensation of any officers, agents and employees shall be fixed by the Board of Trustees, subject to the provisions of these bylaws ~~with respect to compensation of trustees and close relatives of trustees.~~

## **ARTICLE VII**

### **NONPROFIT OPERATION**

#### **Section 1. ~~Interest or Dividends on Capital Prohibited: Non-Profit Operation and Cooperative Operation.~~**

The Cooperative shall at all times be operated on a cooperative nonprofit basis for the mutual benefit of its patrons. To operate on a cooperative basis no interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

#### **Section 2. Patronage Capital in Connection with Furnishing Electric Energy.**

In the furnishing of electric energy, the Cooperative’s operations shall be so conducted that all patrons, members and nonmembers alike, will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis, the Cooperative is obligated to account on a patronage basis to all of its patrons, members and nonmembers alike, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and all other expenses incurred in, and chargeable against, the furnishing of electric energy and the operation of all business affairs of the Cooperative. All such amounts in excess of operating costs and all other expenses of the Cooperative are received with the understanding that they are furnished by the patrons, members and nonmembers alike, as capital.

#### **Section 3. Patronage Capital-Allocation.**

The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and all other expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each calendar year fiscal year the amount of capital, if any,

so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron and the Cooperative shall, within a reasonable time after the close of the calendar year fiscal year, notify each patron of the amount of capital so credited to his account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron then furnished the Cooperative corresponding amounts for capital provided; that the Board of Trustees shall determine the date when such Capital Credits shall be accountable from, and shall provide for the method of calculating such Capital Credits and shall make such other rules and regulations concerning Capital Credits as may from time to time seem to be in the best interest of the Cooperative.

#### **Section 4. Other Patronage Capital-Allocation.**

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided.

#### **Section 5. Patronage Capital from Other Organizations.**

Notwithstanding any other provision of these Bylaws, the Board shall have the power to adopt rules providing for the separate accounting for and procedure for the retirement of such other amounts of capital credited to the accounts of the Cooperative by other organizations in which the Cooperative is a member.

#### **Section 6. Patronage Capital - Dissolution.**

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding Capital Credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights to members. ~~If, at any time prior to dissolution or liquidation, the Board of Trustees shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons’ accounts may be retired in full or in part.~~

#### **Section 7. Patronage Capital Retirement.**

~~After April 7, 1998, The Board of Trustees shall determine the method, basis, priority and order of retirement, if any, for all amounts furnished as capital. In no event, however, may any such capital be retired unless, after the proposed retirement, the capital of the Cooperative shall equal at least twenty-five (25) per centum of the total assets of the Cooperative. In no event, however, may any such capital be retired unless after the proposed retirement the capital of the Cooperative shall be in the discretion of the Board of Trustees, sufficient to meet the anticipated needs of the Cooperative and not impair its operation.~~

The amount of any Capital Credit of any patron retired at any time shall be applied first to any indebtedness or other liability

owed to the Cooperative by such patron, and the balance, if any, shall be paid to the appropriate patron(s) distributee. In the event of a Capital Credit retirement occurring earlier than the time scheduled by the Board, the amount of the Capital Credit may be discounted to present value in accordance with applicable accounting standards and as the Board of Trustees may determine in order to establish the amount to be received by the patron(s) distributee in respect of such early retirement. Should any Capital Credit retired by the Board remain unclaimed by the owner for seven years after the date of retirement, the Board may elect to use the unclaimed but retired Capital Credit amount for any purpose allowed by law.

**Section 8. Patronage Capital– Assignment.**

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the Board of Trustees, acting under policies of general application, shall determine otherwise.

**Section 9. Patronage Capital – Distribution to Estates or Representatives of Deceased Members.**

Notwithstanding any other provision of these bylaws, the Board of Trustees, at its discretion, shall have the power at any time upon the death of any patron, if the legal representative of his estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Trustees, acting under the policies of general application, and the legal representatives of such patron's estate shall agree upon, provided, however, that the financial condition of Cooperative will not be impaired thereby.

**Section 10. Patronage Capital – Distribution Prior to Dissolution.**

Dissolution of a corporation, partnership, firm, association, body politic or subdivision thereof shall not be deemed to be death of a patron within the purview of this paragraph. Capital Credits upon such a dissolution may be assigned on the books of the Cooperative as hereinbefore provided. Notwithstanding any other provision of these bylaws, in the case of a patron that is more than six (6) months delinquent in the payment of any amount due and owing to the Cooperative, the Board of Trustees, at its discretion, acting upon the policies of general application and otherwise upon such terms and conditions as the Board of Trustees shall determine, may retire Capital Credits of such patron in an amount sufficient to satisfy such delinquency in whole or in part and apply the proceeds of such retirement for such purpose.

Notwithstanding any other provisions of these bylaws, when the Cooperative receives notice of a patron filing for bankruptcy protection, the Board of Trustees, at its discretion, acting upon policies of general application and otherwise upon such terms and conditions as the Board of Trustees shall determine, may retire prior to the time such capital would otherwise be retired under the provisions of these bylaws, the Capital Credits of such patron

and pay the discounted amount to the bankruptcy estate or as otherwise directed by the bankruptcy court of applicable law.

**Section 11. Patronage Capital – Contract with Member.**

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the articles of incorporation and bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patron are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

**Section 12. Recoupment.**

The right to receive capital credit payments is dependent upon the member's compliance with member obligations, including the payment of all service and other charges due from the member to the Cooperative. In the event that the member is delinquent or in default in payment of charges due to the Cooperative, or the member has otherwise breached or failed to comply with the Cooperative's member obligations, the Cooperative will withhold payment of capital credit payments to the member until such time as the member has cured the payment default or the breach of member obligations.

In the event a member owes a delinquent account indebtedness or other debt obligation to the Cooperative, the Cooperative will apply any capital credit payments that would be due to the member as payment (full or partial payment, as may result from the payment) of the account indebtedness or other debt obligation, as a recoupment based upon member rights and obligations. This right of recoupment shall exist without regard to the age of the unpaid indebtedness and without regard to any bankruptcy discharge of the member, as a requirement of member rights with regard to capital credit payments to members.

**Section 13. Unclaimed Property.**

Notice of unclaimed property will be administered in the manner prescribed by South Carolina law. The Cooperative may regularly impose a reasonable dormancy fee for each year an owner fails to claim property held by the Cooperative.

# Unclaimed Capital Credits

**SANTEE ELECTRIC COOPERATIVE** has unclaimed capital credits for the following persons. As required by the state statute, this list identifies the names and last known address of the members whose unclaimed amount is \$50 or more. If your name appears on the list, please contact our office at 1 (800) 922-1604. If you recognize a name and know the location of the person, please have him/her contact our office. In

order to claim capital credits for a deceased member who was married, the surviving spouse can claim the credits. If both partners of a membership have passed, the cooperative can reissue the unclaimed in settling the capital credit estate upon receipt of an official copy of the death certificate and letter of administration issued by the Probate Court.
