

**SANTEE ELECTRIC COOPERATIVE, INC.  
LARGE INDUSTRIAL POWER SERVICE  
SCHEDULE LIPS-1**

S. C. 28 Williamsburg	Effective for bills rendered on and after May 1, 2018
-----------------------	---

**AVAILABILITY**

This Schedule is available for electric service to any single commercial, industrial or municipal consumer with load greater than 750 kW\* served from the Cooperative's distribution facilities or directly from the transmission system, and qualifies under Central Electric Power Cooperative, Inc.'s Schedules with associated qualifying riders.

**TYPE OF SERVICE**

The Cooperative will provide service at 60 hertz, single-phase 2 or 3 wires, or three-phase 3 or 4 wires, at our standard distribution voltages as agreed upon in the service contract.

**MONTHLY RATE**

The monthly bill will consist of the sum of the following charges:

▪ **Wholesale Power Cost**

The demand, energy, fuel adjustments and other charges contained in the Cooperative's wholesale electric supplier's effective wholesale rate applied to the monthly Billing Demand and energy supplied to the consumer by the Cooperative. Such charges shall be modified to correspond to changes made at any time to the Cooperative's wholesale supplier's applicable rate.

▪ **Service Charge**

A service charge consisting of a schedule of percentages or other charges contained in the contract for service applied to wholesale power cost stated above prior to any discounts.

▪ **Facilities Charge**

A facilities charge consisting of a monthly carrying cost factor and/or charge contained in the contract for service applied to the dollar investment in facilities provided by the Cooperative and its power supplier specifically in order to furnish demand and energy to meet the consumer's requirements.

## SERVICE PROVISIONS

- 1) The charges computed at the above monthly rate shall be subject to applicable South Carolina Sales Tax, franchise fees, assessments, and surcharges imposed by any governmental authority.
- 2) The minimum Contract Period for service provided under this schedule shall be one (1) year, or as specified in the terms and conditions of the electric service agreement.
- 3) The minimum monthly charge under this schedule shall be the total charges contained under the Monthly Rate section above.
- 4) Bills are due upon receipt. Bills are delinquent after the 15th day of each month and are subject to a late payment charge of one and a half percent (1.5%) of the current bill. Those unpaid after 30 days are subject to service disconnection.
- 5) The Cooperative's facilities used to provide electrical service have definite capacity limitations and can be damaged by overloads. Therefore, the Consumer must notify the Cooperative prior to adding load so that facilities of proper capacity may be provided. The Consumer shall be responsible for all expenses and or damages to Consumer's facilities resulting from failure to give proper notice. The Consumer may also be subject to a contribution-in-aid of construction for work required to meet the Consumer's alterations. The Consumer should contact the Cooperative for information concerning charges for such work.
- 6) Temporary service or construction service shall be supplied at a single point of delivery and in accordance with the Cooperative's Line Extension Plan.
- 7) Service under this schedule is subject to the provisions of the Cooperative's Service Rules and Regulations.

\*750 kW demand threshold applies to load after November 1, 2010  
Effective for bills rendered on and after May 1, 2018
